

## 2022 Lifeguard Review and CPR Course Schedule and Guidelines

### Lifeguard Review Class:

This class is mandatory for return employees whose certification will expire in 2022. This class will recertify you for another two years. This class includes CPR, so you do not need to take a separate class. The cost of the class is \$75.

### CPR Class:

A CPR class is mandatory for all return employees whose certification is still valid. All SwimAtlanta employees must take a class before they begin working. The cost of the class is \$50.

### Class Registration:

To register for a class, please call and speak with Grace or Caitlin at the office at (770)992-7665 Option 1 or email [staffing@atlanta-pmg.com](mailto:staffing@atlanta-pmg.com) with which class you would like to take. We will add you to the class roster and you will receive an email with the class information 1 week before the start of the class.
